Healthy Canteen Update

In keeping with the new canteen regulations introduced by the Department of Education there are also changes to our menu for the start of Term 4.

Hot Dogs, Noodle Cups and Wedges have been removed from our Menu to meet the new regulations of 75% Everyday Food and 25% Occasional Food.

We are currently working with the Department of Education to ensure we are following the Healthy Canteen Policy.

In 2020 Slushies, Jelly Sticks, Quench Drinks to name a few will no longer be sold in our canteen, in Term 4 we will start implementing new healthier snack options that meet the guidelines set out for us.

We hope you like the new menu and if you have any questions please feel free to speak with Christine or Debbie.

Please see our new menu attached with price increases and instructions for our online ordering.

Wishing you all a safe and happy holiday and see you in Term 4.

Christine and Debbie.
