

Science Week 2 Term 4

Garden detective - Explore an Australian Garden

1. Click on the link below and look for creatures in the garden.

Good luck grouping the insects!

<https://www.scootle.edu.au/ec/viewing/L699/index.html#>

2. Now get a pencil and piece of paper and have a go at drawing and labelling an insect. Click on the link below and follow along.

3. 'I spy with my little eye' challenge.

- Go into the garden or park, or if that's not possible, next time you go for a walk, be a 'mini-beast' detective.
- When you spy one, show whoever you are with. Your brother or sister might even help you.
- Can you name the mini-beast?
- When you get home, you can draw a picture of it.
