

## Leçon 2. Les nombres - Numbers

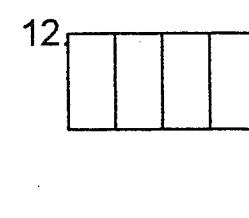

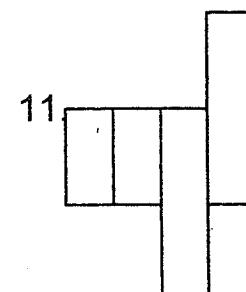

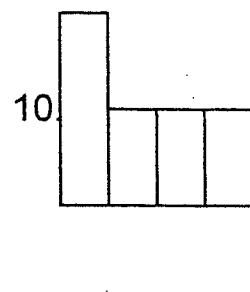

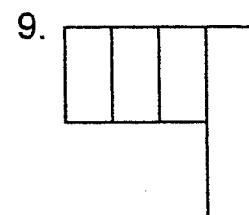

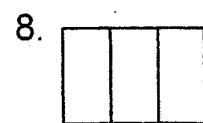

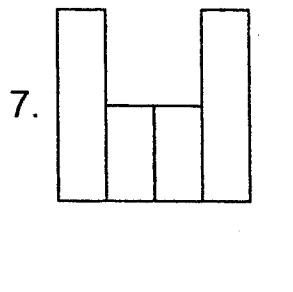

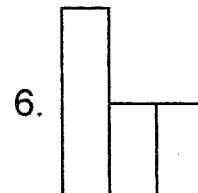

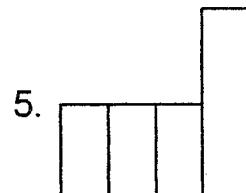

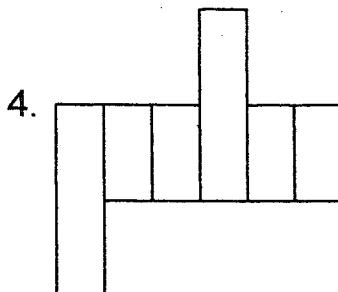

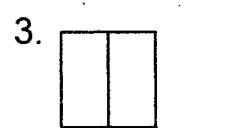

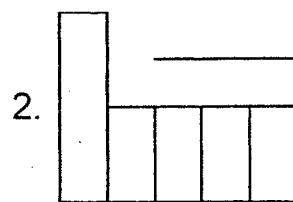

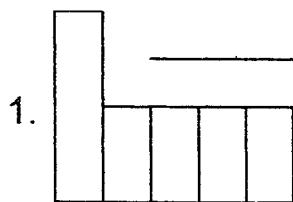

Here is how to write the counting numbers in French.

un	1	deux	2	trois	3
quatre	4	cinq	5	six	6
sept	7	huit	8	neuf	9
dix	10	onze	11	douze	12

Write the correct French number word to match these pictures.

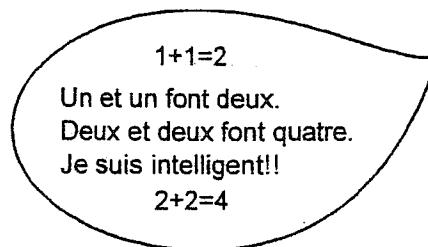

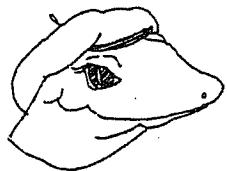

**Find the French number words to fit these word shapes. Write the numeral in the space provided.**

**Unscramble these number words and write the numeral.**

- |          |       |           |       |
|----------|-------|-----------|-------|
| 1. dxue  | _____ | 2. rteuqa | _____ |
| 3. xdi   | _____ | 4. fuen   | _____ |
| 5. nu    | _____ | 6. qnci   | _____ |
