Week 4 Term 4

Message from the Rel. Principal

Dear Parents and Carers

Mr Jennings is on leave from Monday October 30 until Monday November 20. Mrs Brandtman is also taking personal leave for an indefinite period.

I will be Relieving Principal and Ms Lennon will be Relieving Deputy Principal. Ms Thomas will be the Relieving Early Stage 1 Assistant Principal and Mrs Pelosi will be the Relieving Stage 2 Assistant Principal.

Film By The Sea

Congratulations to all those students, parents and teachers who participated in Film By The Sea this year and attended the Gala Night.

Mr Jennings was inundated with praise for our movie at the Principal's conference he attended last week. We will be screening the film at a 3-6 assembly in the next few weeks.

Multicultural Perspectives Public Speaking Competition

Gloria Hanna will representing the school at the upcoming state final of the Multicultural Perspectives Public Speaking Competition. She is to be congratulated for reaching this level and we wish her all the best on Friday.

Kinder Orientation

Our final Kinder O session was on Wednesday this week, it has been great to see all the new students eager to begin their journey at SSPS. I want to thank Ms Lennon and her team for all their hard work and acknowledge our student school leaders who have been a wonderful support to our new parents and students during Kinder O.

AHEPA NSW

On the weekend Tiana, Jasmine and Mina and Mrs Koureas were invited to speak at an AHEPA NSW event to acknowledge the work our Greek students are doing with computer tablets that were purchased using funds donated by AHEPA. Please see Tiana's report below. On Sunday night Mrs Koureas, Jasmyne, Mina & I had the honour to speak at the AHEPA which stands for Australian Hellenic Educational Progressive Association who have been generous in donating the tablets we use in Greek. We spoke of our experiences and the benefits we have using the tablets in making Greek fun. Our

28th October 1940 is the day the Greeks said "OXI" to the Italians by saying "NO" and putting up a courageous fight against the Italians. Greeks helped changed the course of history.

World Teachers' Day - 5 October 2017

On behalf of Mr Jennings, I would like to acknowledge the hard work and dedication the staff at SSPS display on a daily basis. The staff at SSPS work as a team to support each other professionally and personally. Their commitment goes beyond the quality teaching programs offered in the classroom, extending to the many extra curricular activities students are offered including: Band, Opera House recorder, choir, public speaking, debating, Bully Busters, SRC, numerous dance programs, Film By The Sea, Visual Art programs and competitions, Aboriginal education programs, school camps and various opportunities to represent the school in sport. These extra curricular activities are not

possible without the support and enthusiasm of teachers who are willing to give up their time to commit to the success of these programs. As part of World Teachers' Day, I was privileged to be among several educators to receive an Australian College of Educators award. I received this award for coordinating the work our school does in mentoring and employing graduate teachers from the University of Wollongong. Many of our current staff are former UOW students who completed their training at our school and went on to work with us and benefit SSPS students.

Year 6 Interrelate Program

This week, after four sessions, the Interrelate program for our Year 6 students ended. Throughout these weeks Year 6 students have been led by a course educator and worked through several discussion and tutorial based activities exploring a range of adolescent issues related to sexuality and relationships. Our Year 6 teachers have been praiseworthy in the value of this Personal Development and Health program for their students in preparing them for high school and their teen years.
