Week 10 Term 4

13 December 2017

## Message from the Principal

### Dear Parents and Carers

### Semester 2 Student reports

Parents should have received their child's Semester 2 report. After reading all 630 reports, I can say that I am extremely proud of the achievements of all students throughout 2017. I would also like to acknowledge the professionalism, time and effort of all teachers and administration staff who have contributed to the reporting to parent process in some way.

### Carols Night Success

The true Sans Souci spirit was in abundance last Monday as we managed to go ahead with the Carols evening, despite a change of venue due to the wet weather. Even though down in numbers the boys and girls did a great job entertaining a large audience with a band performance followed by carol singing. I would like to thank the large audience of family and friends for their patience as we did our best converting what was planned as an outdoor event to a modified indoor event with limited views for the audience.

Our teachers did a great job preparing the students for the event and Mrs Evans, Mr Callaghan and Mr Knight coordinated and hosted the night with a calm touch. Thanks also to our fabulous P&C team on the BBQ for keeping all comers well fed and hydrated throughout the event.

### Presentation Day

Presentation Day ceremonies on Monday's were a fantastic celebration of student achievement in 2017. Congratulations to all students for their own achievements throughout the year, not only those students who were acknowledged on the day but also to every student. I would like to thank our special guests for their involvement on the day;

## FOR YOUR DIARY

Jan	29	Staff development day -Staff return to school
	30	Students Yr 1-6 return to school

Ms Lennon and Mr Callaghan, our teaching and administration staff for their preparation leading up to the day. The audience also enjoyed the excitement as the 2018 school and sporting house leadership teams were announced. On behalf of the staff I congratulate our new leadership teams and look forward to working with them in 2018.

### Farewell Year 6 2017

Tomorrow evening Year 6 staff and students will celebrate the Year 6 'graduation' from primary school at a special event held at Doltone House Sylvania. Parents and family members have been invited the latter stages of the event to acknowledge this significant milestone in our students' educational journey. On behalf of the staff I would like to wish Year 6 students all the best for their journey through high school and beyond. I would also like to acknowledge the Year 6 teachers for their leadership this year.

### Staffing News

This week Sans Souci PS farewells Mrs Read as she enters retirement from the teaching profession. Mrs Read has been a highly esteemed teacher at Sans Souci Public school since 2008, contributing to the success of many school programs. Mrs Read's work around student wellbeing, fundraising, event coordination and performing arts has contributed significantly to the progress of hundreds of students over the years. The P&C has presented Mrs Read with a gift on behalf of the school community and the staff we wish Mrs Read an enjoyable, long and healthy retirement!

## Water bottle refilling stations

There is a location in each playground for students to refill their water bottles. Timer taps have been installed in the Primary and infants bubbler area as well as the Year 1-2 playground area. If you are looking at purchasing a new water bottle for your child for 2018, it may pay to have a look at the taps to work out which size bottle will fit and be manageable for your child. Thanks to the P&C for the suggestion – a great idea!

## Sans Souci Launches CareMonkey for 2018

Keep an eye out for a note next week inviting you to subscribe to our new student data management system. The note will provide detailed information about all aspects of the system and I strongly encourage all families to subscribe.

## Sans Souci Students Soaring

Keira B from Year 5 has been selected to represent NSW in the Little Athletics U11/U12 Trans-Tasman Tour of NZ from the 4th to 16th January 2018. Keira has been chosen for 4 events: 1500m, 800m, Long Jump and High Jump and is a part of a squad of 100 boys and girls and will be competing at NZ North Island State Carnival and Trans-Tasman Carnival. Alexandra H also from Year 5 is today competing in the NSW Age Swimming Championships at Homebush Aquatic Centre. We wish both girls all the best!

## Final Thanks

I would like to thank all members of our amazing community for contributing to another very successful year. Our students are provided with a range of amazing opportunities at Sans Souci PS; primarily through the commitment and professionalism of our teaching and administration staff. Our P&C and parent volunteers also do an amazing job of ensuring our students are supported in many areas through fundraising events, as well as class and school programs. I would thank all families for their ongoing support and wish all students and families a safe, happy and relaxing Christmas and holiday break. I look forward to a fabulous 2018 for all SSPS students and families!

# Merry Christmas
