Week 8 Term 2

Message from the Principal

Dear Parents and Carers

Cross Country Achievements

Congratulations to Keira B, Cooper D, Christian E, Malik A, Stamati P, Luke I, Emily N, Paige B, Kiarra F, Joachim E, Billy T and Theodore F students who represented our school and the Botany Bay Zone at the Sydney East Cross Country Carnival today at Miranda Park today. This is an impressive contingent of runners that we've have represent the zone and all students performed admirably, up against 66 of the best runners from 11 school zones in Sydney. Special congratulations to Keira B who won her 11 year old girls event and will now represent Sydney East at the NSW Carnival in July.

Safety at the Pedestrian Crossing

I am asking for support from parents in talking to children about safe practices whilst waiting for the pedestrian walk signal at the front of the school. Closely following the 3:15pm home time bell there are large numbers of students and/or families that cross Rocky Point Road at the pedestrian crossing. Whilst waiting for the green signal to walk school students are often climbing on or through the safety barrier that is placed in front of the crossing. It is important to note that the safety barrier is designed as a barrier and is not to be climbed on, over or through. Please ensure that all family members remain behind the safety barrier when waiting for the green walk light and remember to exercise patience as there may be instances when it is safer to wait for the following green walk signal.

African Beat Incursion

Wow what a wonderful experience our students had today. They were involved in an informative and highly interactive performance called "Salaka", which means "Sharing". All staff and students participated in drumming, dancing and learning about the musical instruments they use in Africa. During the incursion, students showed fabulous manners and were highly engaged. Your children have made us proud. Please see the attached photos of today.

On Tuesday 5R had the opportunity to be a part of an 'Acting and Presenting Workshop', led by two wonderful directors from AFTRS (Australian Film, Radio and Television School).

All students were given scenarios to act out; they also took on filming roles and used a variety of filming equipment to record their peers. They learnt about different camera angles and the importance of the different roles in film making. Students ended the workshop by performing a scene from Harry Potter. It was a fun day of film making and we look forward to future filming for Film By The Sea.
