

Term 4 Week 8

26th November 2021

Message from the Principal

White Ribbon Day @SSPS

Yesterday the school held its annual White Ribbon – Breaking the Silence community event. Ms Graham, Mr Cox and Mrs Kennedy coordinated this memorable day starting off with a virtual K-6 assembly held to share the messages that **violence is never OK** and that members of the SSPS community should always treat each other **respectfully**. Students from each grade shared some powerful messages on important women in their lives, demonstrating the positive stance on Respectful relationships at Sans Souci PS. Led by the Student Leadership Team, a large number of community members then joined the students and staff in a walk around the block to raise awareness for White Ribbon. Another memorable community day for SSPS!

Presentation Day

For the second year running the school's annual Presentation Day will be affected by current DoE COVID-safe guidelines. The school has conducted a COVID Safe risk assessment of the site and unfortunately, due to constraints around floor space in our hall, we are not able to invite parents and carers of award winners to this year's presentation day sessions. After careful planning, the School Leadership Team has again modified this year's format in order to meet COVID Safe compliance, as recommended by the NSW Department of Education.

In Week 10, Thursday 9 December the school will host four separate stage-based Presentation Day ceremonies. This special event is an opportunity to congratulate and acknowledge students for their effort and achievement throughout 2021. In an exciting finale to the Stage 3 session, 2022 Student Leadership teams will also be announced. On the day a digital presentation of award recipients in each stage will be shared with families, along with a video presentation of the announcement of 2022 School Leaders and sports leaders.

In advance I would like to acknowledge the enormous effort and coordination of Mrs Brandtman, teachers and administration staff in preparing for this important school event and thank Mrs Reid for compiling a digital record of all award winners to be shared with families on the day.

End of Year Activities

Many of the usual end of school activities and excursions have been impacted by the current COVID-safe guidelines in place for NSW schools. As a result, teachers have adjusted plans to incorporate more incursion activities into the final week of term. Early Stage 1 and Stage 1 students will participate in a Science excursion and Stage 2 and 3 students will have 2 days of inflatable fun as we have hired the 'Inflatable World Extravaganza' for students to enjoy here at school. Information about these activities has been shared with families this week.

Kindergarten Orientation

Over the next 2 weeks the school will be holding face to face Kindergarten Orientation sessions for our 2022 Kindergarten students. We are really looking forward to meeting our new families and students with many already coming to school to pick up their Kindergarten Orientation packs and uniforms. If you know of any families in the area that still haven't enrolled school age children for Kindergarten 2022 ask them to get in touch with the school!

Parent/Carer requests for 2022 Class Placement

The school is now moving into the planning process for 2022 classes. Extraordinary class placement requests for your child in 2022 must be emailed to the school (addressed to the Principal) by Friday 3 December 2021. Please do not request specific teachers for your child as it is not always possible for the school to action this, nor is it appropriate to ask your child's current class teacher to pass on a request for 2022 placement. Previous years' requests for class placement that are still relevant must also be included for consideration in 2022 classes.

Semester 2 Student Reports

Semester 2 Student Reports will be available through the Sentral Parent Portal in the final week of school. As the semester has been affected by COVID-related interruptions to learning, this report format will be modified from the usual A-E reporting process to a more simplified version for this semester. This will be a similar format to the reports from Semester 1 2020. I would like to acknowledge the work of executive, teaching and administrative staff for completing the reporting process within the normal time-frame despite the interruptions to normal face to face learning throughout the semester. Parents and carers requiring a printed copy of the student report should contact the office via phone or email.

Mosquitos in the Playground

The recent wet weather has brought larger than usual numbers of mosquitos into our playground areas, especially the Year 1 & 2 playground. The school has taken some safety measures to manage this situation utilising a contractor but the best protection for students is where parents/carers apply insect repellent before school each morning. (Please note that children should not bring insect repellent to school.)

Canteen Closure

The school canteen will be operating up to and including Friday 10 December. Please ensure that your child brings sufficient lunch and fruit break as required from Monday 13 December – Thursday 16 December.

2022 School Leadership Team Selection

Last week 16 candidates delivered excellent speeches via Zoom to all students from Year 3-5. Students were then given an opportunity to vote for their preferred candidates. This week the school has also run a process for electing sports captains for 2022 and next year's school leaders and sports leaders will be announced on Presentation Day, Thursday 9 December. Thanks to Mrs Brandtman who has coordinated this process.

Spellathon Update

This year the school planned to run a Spellathon in Term 3 as our major fundraiser with the goal of raising money towards refurbishing the oval and netball courts with a synthetic surface and enhancing our Kindergarten playground markings.

Unfortunately, due to the extended lockdown the event didn't take place in August as planned. However, we have decided to hold the Spellathon in **Week 10** of this term as a number of students have already collected sponsorship using the Benjojo platform that was introduced to families for this event. The platform has been once again made accessible for families wishing to sponsor their child.

Detailed information about the Spellathon will be sent home with students on Monday 29 November.

Tell Them from Me Parent Survey Reminder

Thank you if you have already completed our school's Tell Them From Me parent survey shared last week. If you haven't had a chance yet, a gentle reminder that this Friday 26 November is the closing date and we would like as many families to participate in the survey as possible. Data collected will help us monitor the effectiveness of current programs and also inform future directions for the school.

The Parent TTFM survey can be accessed via:

<http://nsw.tellthemfromme.com/ssps>

We look forward to sharing with families, our survey results in future P & C meetings and also in our Newsletters.

BYOD Taster for Year 4 Students

Last Tuesday all Year 4 students participated in the Year 4 BYOD transition program. The students published their cinquain poem 'Life cycle of a T-shirt' written in connection with their science unit 'Material World'. The students also used Explain Everything app on the Stage 2 classroom iPads to publish their poems. Students used the many functions in the Explain Everything App to type, animate and record themselves reading their poem. Several expert Year 6 students supported the Year 4 students in using the Explain Everything app. Stage 3 teachers are looking forward to welcoming the 2022 Year 5 students into next year's SSPS Stage 3 BYOD program and I would like to thank Mrs Williamson and class teachers for giving our students this important opportunity.

Assembly Awards

Many students have been acknowledged at recent weekly stage assemblies. Congratulations to all award winners this term!

White Ribbon Poetry

Below are some of the examples of poetry published from our recent White Ribbon Poetry workshop. Congratulations to all students for their creativity and support of the White Ribbon Program. These poems have been showcased at the White Ribbon Breaking the Silence Art and Poetry Exhibition 2021 at Oran Park High School on December 3 2021.

Opening Ceremony

7 December 2021

11am Oran Park High School

Including

Invite someone to come hang out
Never leave just one person in doubt
Conversating is a way to include
Leaving people out is just plain rude
Utilise your heart
Denying it just isn't smart
In total you can be a good human
being
Nothing compares to a positive
wellbeing
Go out and don't forget to keep on
including because it's never too late
to be nice.

ALLEGRA EHRLICH SSPS

Lily Fraser SSPS

Acrostic poem

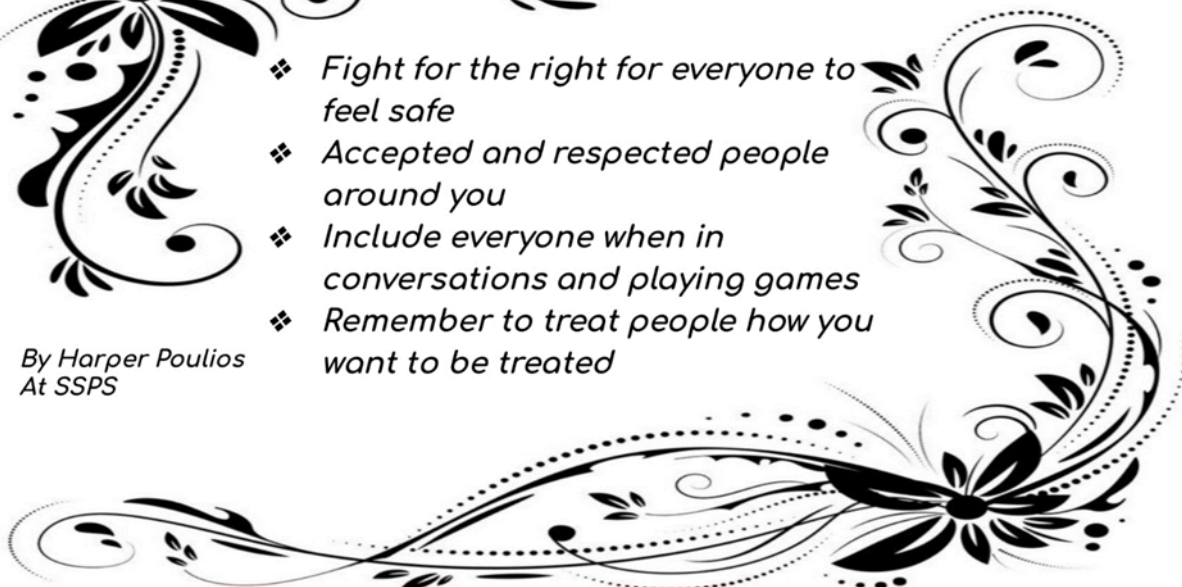

All people like to feel accepted
Confidence can make someone feel good about themself
Compassion is the key to understanding people's differences
Equality is an important trait when it comes to acceptance
Patience is the way to make someone's day
Trusting in friends helps us feel whole
Engaging with others feeds the soul
Determination to do your best can get you through

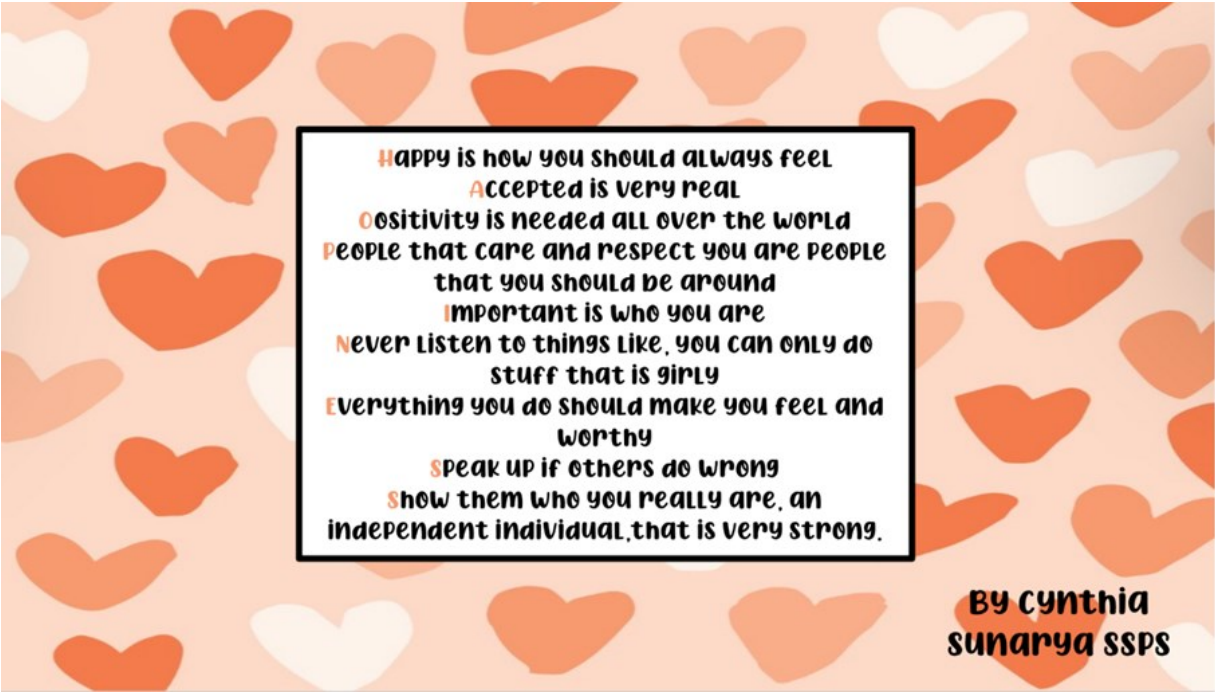

biggest test!!!!

- ❖ *Fight for the right for everyone to feel safe*
- ❖ *Accepted and respected people around you*
- ❖ *Include everyone when in conversations and playing games*
- ❖ *Remember to treat people how you want to be treated*

By Harper Poullos
At SSPS

HAPPY is how you should always feel
ACCePTed is very real
POSitivity is needed ALL over the world
PEOPLe that care and respect you are PEOPLE
that you should be around
IMPORTant is who you are
NEVER Listen to things like, you can ONLY do
stuff that is girly
EVERYthing you do should make you feel and
worthy
SPEAK up if others do wrong
SHOW them who you really are, an
independent individual, that is very strong.

**By Cynthia
Sunarya SSPS**

White Ribbon Poem

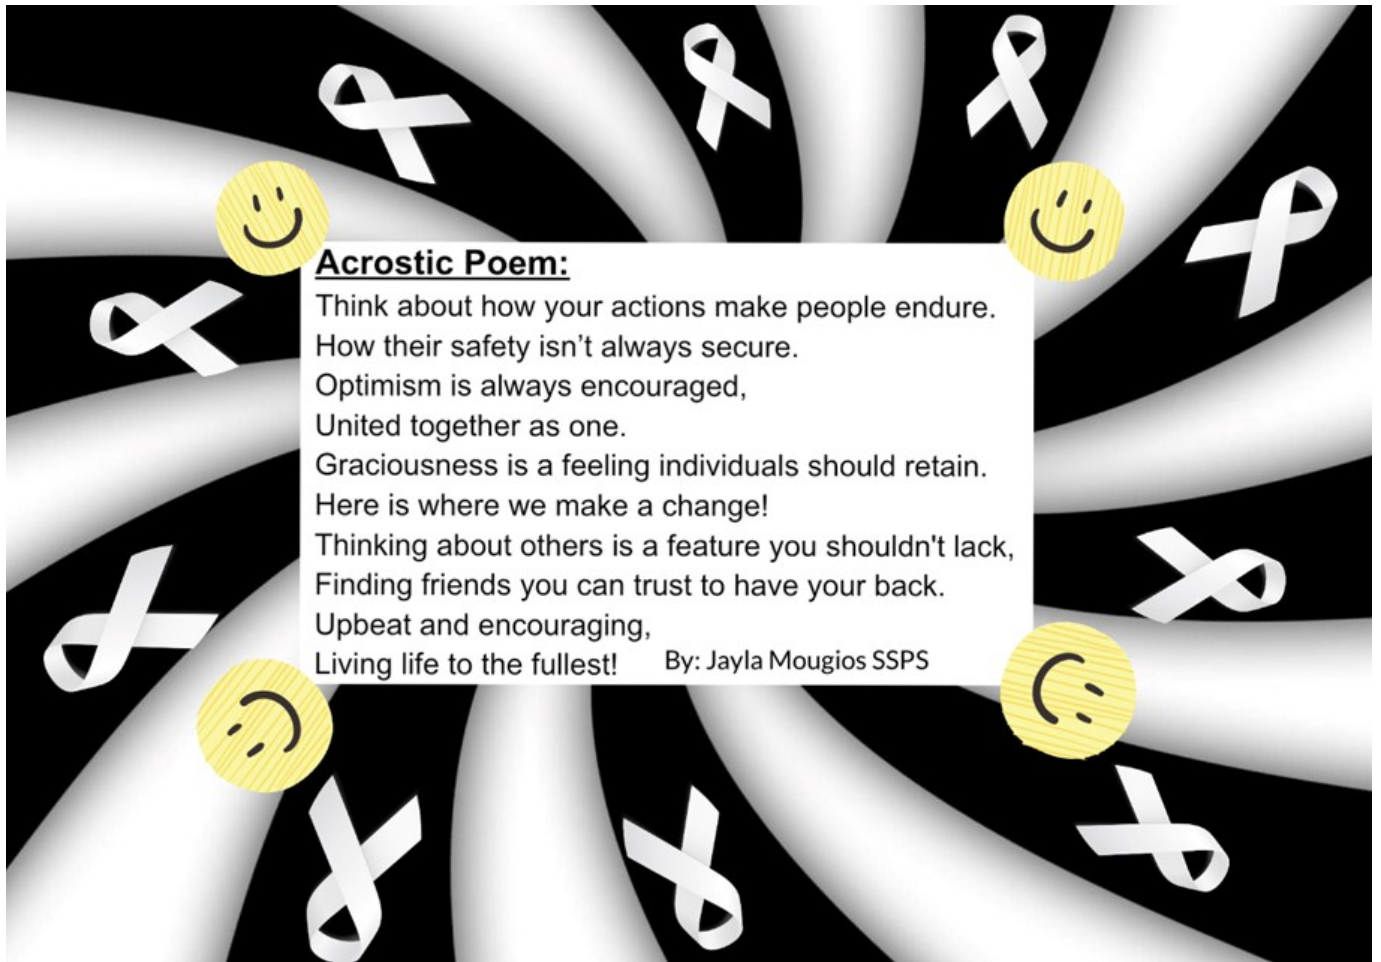

Care for people that surround you
Around you are women that need
your support
Resist bullying and unfair actions
Instead we should be making positive
interactions
Go and stand up, encourage
respectful relationships towards all

**By Paul.Hanna
SSPS**

*Kindness is for Everyone
It's the best way to have fun
Never should I argue
Do care for others if they want me to
No one likes to be called names
Enjoy the playground's fair games
Sorry for all my mistakes
So let's have fun for goodness sake!*

Lily Taylor SSPS

Acrostic Poem:

Think about how your actions make people endure.
How their safety isn't always secure.
Optimism is always encouraged,
United together as one.
Graciousness is a feeling individuals should retain.
Here is where we make a change!
Thinking about others is a feature you shouldn't lack,
Finding friends you can trust to have your back.
Upbeat and encouraging,
Living life to the fullest!

By: Jayla Mougios SSPS

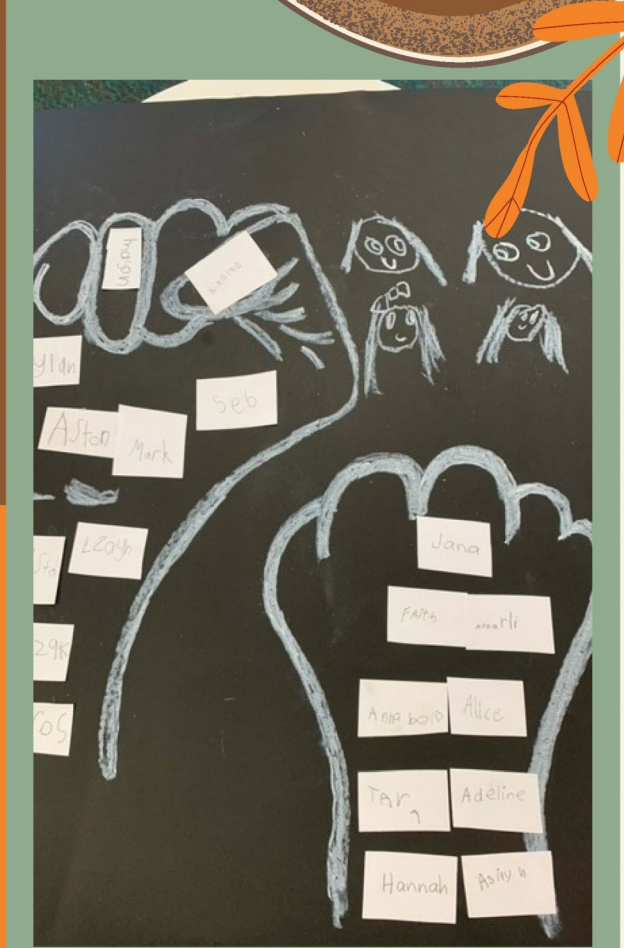

Football Australia Activities at School

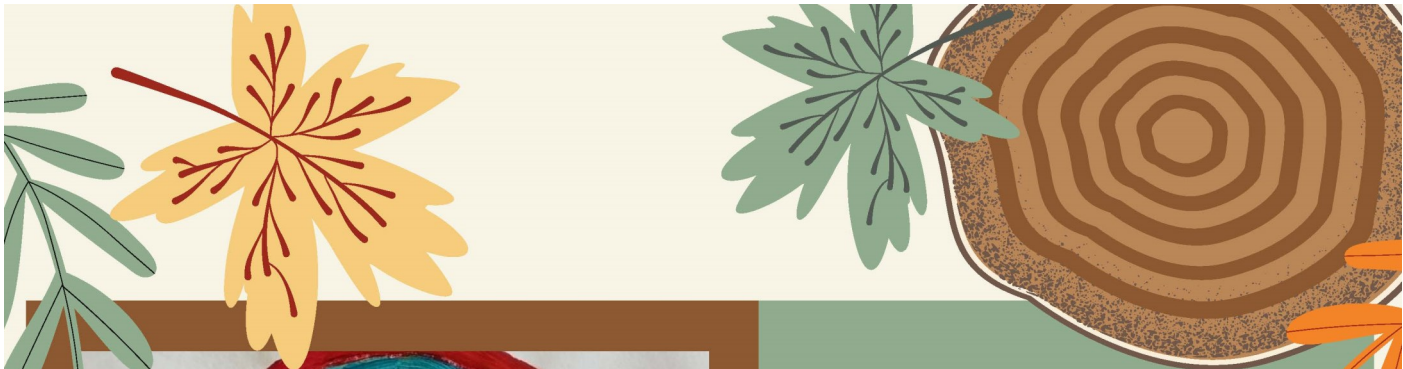

The school has been utilising the Premier's Sporting Grant this term to outsource Football Australia for some engaging football drills. Students from Year 3-6b have been able to participate (when the weather has been fine) and the school will continue to use the sporting grants each term to give students opportunities to try a range of sports.

Words of Wisdom From 2021

Student Leaders

The 2021 student leadership team has had a fun and rewarding year even if COVID slowed us down a bit. We were able to host assemblies, plan as a team through the Leadership by the River program to make a positive school change, representing our school at the community ANZAC service by giving speeches about the fallen ANZAC soldier. How great it also was greeting each morning our younger peers to help support them to become more independent with starting their school day.

As for the recent voting and selection of our 2022 student leaders our current leadership team would like to give them some advice or inform them about what their role could be:

Zach (Captain)

I believe you should all look forward to doing Leadership by the River as it helps you grow as a team and improve your leadership and cooperation skills.

Scarlett (Captain)

When presenting speeches you need to be sure everyone can hear you by speaking loud and clear.

Demetri (Vice Captain)

Make sure you're confident in what you do and think twice before doing something you feel is wrong. Remember, everyone looks up to you and your badge will be on the line.

Danielle (Vice Captain)

Always set a good example for your peers and remember that you will be the person that they will look up to.

Luca (Prefect)

I really enjoyed being able to collect tokens at the end of each week and found it exciting to be able to speak up at the assemblies as I have wanted to do this since kindergarten.

Macy (Prefect)

When speaking, be confident and don't stress about it if things don't go to plan. Just continue and go with it.

Kai (Prefect)

Always help those who need it and make sure that you are able to lend a hand. It was also fun to be able to speak at assemblies.

Tyler (prefect)

Ensure you set a good example for those who will look up to you, and make the most of your time as a leader.

BYOD iPad Requirements Checklist

Year 4 parents and carers,

It is recommended that the following information be taken into consideration when selecting an iPad for your child to bring to school for next year's Stage 3 BYOD Program:

Wireless Connectivity

Wireless Connectivity is key to BYOD devices in schools!
Devices must support **5 GHz** dual band wireless or 802.11 a/b/g/n. (Make sure it supports both 'a' and 'n'.)

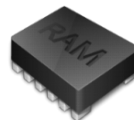

Operating System

To ensure the latest programs and software are compatible, we recommend the current version of any operating system.
E.g. iOS 15 for iPads

Battery Life

Minimum 5hrs

Devices need to last the school day, we recommend a minimum of 6hrs battery life.

Memory

32 GB

To store and process data effectively these minimum specifications are recommended.

Hardware Features

Camera & Microphone

These are necessary to ensure students can participate in 21st century learning activities. A stylus or keyboard may also be useful.

Screen Size

Reasonable Size

Ensure the screen is of a reasonable size to enable ease of use throughout a school day.

Accessories

Carry Case: A carry case or skin is essential in protecting your device and can provide ergonomic advantages.
Insurance: Devices can become lost or be broken easily at school so make sure your policy covers these eventualities.
Warranty: Make sure you consider purchasing extra warranty to reduce future repair costs as these devices will be used extensively.

Preferred School iPad:

Apple iPad Pro or latest version of iPad.

Note: Be aware that iPads prior to 2019 may have issues with the updating of Apps and software.

Dates for your Diary

P&C Christmas Fundraiser

Below is information about a Christmas Fundraiser that is being offered to families.

Sans Souci Public School is sponsoring a fundraiser through **Me You Skincare** and we are asking for your support! Me You Skincare is a local business passionate for the daily positive mindset of children by providing plant-based, Australian Made, essential self care products for children of all ages.

We will be raising money for our school through families purchasing from the essential self care for kids range.

This end of year Christmas fundraiser will be a wonderful campaign to be able to share the uplifting, positive goodness to the entire Sans Souci School Community.

A portion of each product sold will be raised for the school to put towards a variety of resources in 2022.

All orders receive a positive affirmation daily challenge card. Purchase **2 or more** products and you will receive a rainbow bamboo toothbrush FREE. **3 or more** products receive a bamboo toothbrush and your order in a gift box! Products can be sold **individually** or in **bundles**. A hassle free Christmas gift idea the kids will use and love!

Please share this fundraiser with your friends and family too.

All orders can be placed from November 25th until Dec 5th 2021.

Orders will be distributed directly to your child's classroom teacher or they can be picked up from our playground express pick up point on Thursday December 9th. Please specify which method you prefer at checkout.

How to place your order and take part in our school fundraiser.

1. Visit www.meyouskincare.com to choose your gift.
2. Place your order using your **Child's Name and Class**.
3. Please include your address.
4. Choose your preferred delivery method at checkout.
5. Process payment of your order.
6. A portion of each product sold will be raised and presented to Sans Souci Public School.

Thank you for your continued support and we look forward to achieving a successful event together.

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

Please visit the Department of Education's *Policy library*

The school leaving age:

Please visit the Department of Education's *Wellbeing and Learning* website

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.

For further advice and questions contact your educational services team

School Travel for 2022

2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to **transportnsw.info**. This will assist families to find all their travel information in the one place.

Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at transportnsw.info/travel-info/using-public-transport/school-travel

Enquiries can be submitted at transportnsw.info/contact-us/feedback/passes-concessions-feedback

UNIFORM SHOP UPDATE ANNOUNCEMENT

13th September 2021

In accordance with the current NSW Health guidelines and compliance to COVID-19 rules and restrictions, the Claudine Schoolwear retail shop at Caringbah must remain closed until further notice.

During these challenging times, our priority is the health and wellbeing of our customers and employees.

Parents can continue to shop safely with us online at www.claudineschoolwear.com.au. Rest assured that if an incorrect size is purchased, parents are entitled to a free size exchange. All online orders will be expediently processed and despatched but there may be delivery delays.

Amidst the lockdown, our office is still operating so should parents require any assistance they can contact us through the online form www.claudineschoolwear.com.au/contact.html.

Claudine Schoolwear will always follow the latest government health advice and we are here to support the school, parents and students in any way we can.

We thank our schools and parents for their understanding and continued support and look forward to welcoming them back into our Caringbah shop as soon as restrictions are lifted.
