

### Term 3 Week 8

Friday 9th September 2022

Dates to remember	
Monday 12th September	ES1 Excursion to Sydney Aquarium & Wildlife World
Tuesday 13th September	Yr 6 Sausage Sizzle Fundraiser
Tuesday 13th September	Dancing Stars Evening Performance 6pm
Thursday 15th September	Yr 5 Teen Ranch Cobbitty
Friday 16th September	Yr 6 Teen Ranch Cobbitty
Friday 16th September	NRMA Road Safety Day
Friday 16th September	Kindergarten 2023 Tour

### Message from the Principal

I would like to acknowledge the traditional custodians of this land, the Bidjegal people of the Eora Nation. I acknowledge that for thousands of years they have lived on and cared for the lands, skies and waterways.

Their dreaming is deep in the soil, rivers, oceans and wind holding the histories, lores, language and knowledge of this Country.

I extend my respect to other Aboriginal and Torres Strait Islander people here today and highlight their continued, unbroken connection to Countries.

### Contemporary Dancers dazzle at local Eisteddfod

Last Tuesday our Contemporary Dance Group performed at the "Your Next Step Dance Challenge", at Hurstville Civic Centre. It was great to see the group perform in public and the girls did an amazing job being awarded 2<sup>nd</sup> place in the competition. Thanks to Miss Alicia for preparing the group and to Miss Graham who accompanied the girls to the event. Thanks also to parents and carers who attended the performance to support the group.

Acknowledgement of Country

We are also looking forward to our dance groups performing at next Tuesday's Dancing stars Concert at Hurstville, Good luck to all our performers.

### Athletes Ready to go at Sydney East Carnival

Congratulations and good luck to the 16 students who will be representing the school and the Botany Bay PSSA next Wednesday at the Sydney east Athletics Carnival at Olympic Park.

### Another Sydney East Rep!

Congratulations to Lachlan M from year 6 represented Sans Souci Public School in the Sydney East Boys Softball team at the State Championships at Mudgee this week. Lachlan was very proud to be representing Sans Souci and we are all proud of his fantastic achievements!

### P&C Update

On behalf of the entire P&C, I would like to thank all the volunteers that worked tirelessly at the Father's Day Stall. We appreciate your time and efforts. A massive thank you to the P&C Events/ Fundraising Committee for organising the stall and putting in so much hard work and effort into the day and prior.

We had our P&C meeting on Tuesday 6 September 2022, and it was a big one! We were presented with a wish list from all stages and all the items were deserving of our support. We have pledged to fully cover the Early Stage 1 Outdoor Nature Classroom and the Stage 3 larger soccer goals for the playground. We also pledged to cover 50% of the funding towards the Stage 1 and Stage 2 technology wish list. The teachers did a fantastic job at justifying the needs for the new equipment, so well done.

By the community supporting the P&C fundraising events, it means that we can then support the school and make our school better for our children and future children.

The canteen is also in need of creating a volunteer list and a link to a Google Form has gone out this week. Please fill it out if you can volunteer your time to the canteen.

Our next meeting is in Term 4 Week 2, 18 October 2022, put it in your calendar.

Eulalia Verde - P&C President

### **Uniform Donations**

We currently have a shortage of spare uniform items for students at school. From time to time staff are required to provide uniform items to younger students when mishaps do occur. If you have spare uniform items in clean and reasonable condition it would be appreciated by the school community if donations could be made to the school office. Smaller sizes are especially appreciated.

### **Uniform Reminder**

Sans Souci Public School has a proud tradition of high uniform standards and the school community would like to maintain this great reputation.

Students should now be transitioning to full winter school uniform. Please check the table below to ensure that your child is coming to school each day in the full uniform. Remember that coloured sneakers are only permitted on sport days and coloured socks are not part of our uniform. Maroon or white ribbons are acceptable hair accessories.

- The P&C sells school hats and bags each day in the Canteen from 8.45-9.30am
- School uniforms can be purchased from Claudine Schoolwear at Caringbah
- The school canteen also has some quality second hand uniform items but would love any donations from families if their children have outgrown items

### Father's Day Stall

Last Wednesday the P&C held a fantastic Father's Day stall in the OOSH room. Thanks to the many P&C members and volunteers who gave up their day to help at the stall. The students were so excited about choosing and buying gifts from a large and impressive selection available. Special thanks to the P&C Fundraising Committee for coordinating such a great community event and also to all the families that supported the event. The stall raised an incredible \$6,636.50 which will go towards the P&C Fundraising targets as for 2022.

### **Preschool Visits**

Over the past few weeks the school has hosted visits from a number of local preschools in preparation for Kindergarten 2020. Kindergarten teachers have taken preschoolers and their teachers on a tour of the playground facilities and classrooms bringing smiles to many faces. A reminder to parents with children turning five or six next year to complete enrolments by the end of next week to ensure you get an invitation to our Kindergarten Orientation Program in October.

### Naplan 2022

Last week Year 3 and 5 students brought home their 2022 Naplan results. The school Leadership Team is currently analysing the results along with internal school assessments to monitor the effectiveness of current literacy and numeracy programs and also looking for areas for further interventions. More information will be shared with the community early next term. In 2023 the Naplan assessments will be administered in Week 8 of Term 1 which will mean the school will receive feedback on students performance earlier in the year.

### Covid Update

I strongly encourage all families to keep up to date with the NSW DoE Covid Update via the link below. If families require any more RAT Kits for close contact or symptomatic testing please contact the school office.

https://education.nsw.gov.au/covid-19/advice-for-families?deliveryName=DM35673

### **Principals Gold Awards**

# Early Stage 1 Writing This term Early Stage 1 have been using diagraphs when spelling. We regularly engage with quality literature to explore interesting topics to support our learning. We are making sure we use capital letters, full stops and finger spaces in our sentences.

**1K** 

1K have been enjoying reading a variety of leveled books during reading groups and talking about their favourite books and characters for news. We have been planning our shelters for 'Baby Fred' and participated in the SRC initiative to help keep our environment clean. STAGE

1S have been busy learning about fractions and how to code on the Ozobots. We also planned our toy shelters and built them! We even got to clean up the playground with special tools.

2 601

ÍS

In 2T we have been learning to program our Sphero robots using block coding. We have also conducted some experiments to help us understand the properties of materials. During maths lessons, we have worked cooperatively to explore arrays.

2R

In 2R we have been learning how to code with Spheros. Students have learnt how to drive their sphero, change colours, add sounds and some students have even learnt how to add animations. Students are loving these lessons!

Gabriella from Year 6 is representing NSW PSSA at the National Soccer Championships in Perth and we would like to raise funds to support her journey.

\$2 donation (you may donate more)

You may wear any sports related clothing or supporters clothing.

(No studded boots)

Go Gabriella!

Go NSW!

# LOCAL PRE SCHOOL VISIT

Over the past few weeks the school has hosted visits from a number of local preschools in preparation for Kindergarten 2023. Kindergarten teachers have taken pre-schoolers, parents and teachers on a tour of the playground facilities and classrooms bringing smiles to many faces.

A reminder to parents with children turning five or six next year to complete enrolments by the end of next week to ensure you get an invitation to our Kindergarten Orientation Program in Term 4 on 2, 9 and 16 November 2022.

Established in 1911, Sydney Technical High School, located in Bexley and close to several major transport links, is an academically selective secondary school for gifted and high achieving boys.

connection with them allows for authentic networking opportunities.

Our staff are experts in delivering highly engaging and challenging curriculum for our diverse learners with strong links to the UNSW's GERRIC faculty.

The STHS Performing Ensembles music program has over one hundred student participants playing over thirty different instruments and receive mentoring and specialised tuition.

We are highly successful members of the St George Sport Association with weekly grade competition each Wednesday afternoon in disciplines such as

basketball, soccer, Oztag, cricket, volleyball, table tennis and tennis. This is complemented by our

recreational sport program and includes fencing, fitness, ten pin bowling and beach walking.

Our extra curricular program offers outstanding opportunities for every student to connect and thrive in our school's high expectations culture in many fields including public speaking, debating, chess, the Duke of Edinburgh Award, digital media, Latin, entreprenuerism, coding and much more.

## Our Open Morning is 9:15am on Tuesday 11 October 2022

Students seeking entrance into Year 7 must participate in selection procedures organised by the Department of Education. For further information contact the High Performing Students Team on 1300 880 367 or email: ssu@det.nsw.edu.au

# How to report serious cyberbullying

If you are in immediate danger or at risk of harm call **Triple Zero (000)**. If you need to talk to someone, visit kidshelpline.com.au or call them on 1800 55 1800, 24 hours a day 7 days a week.

**Serious cyberbullying** means sending or sharing harmful online content that badly upsets someone under 18. It may make them feel harassed (hassled), humiliated (embarrassed), threatened (unsafe) or intimidated (scared to do or say something).

esafety.gov.au

# SUPPORTING CHILDREN'S **1ENTAI** 10 Conversation Starters for Parents

Talking about mental health to children is sometimes hard. To the point that we can put off raising the subject, not wanting to unearth problems or raise overwhelming subjects that we perceive our child is too young or not ready for. But rather than keeping children in the dark, this guide is designed to help you confidently talk about mental health, so they feel comfortable talking about their own worries and end any stigma before it begins.

### National NOS Online Safety

#WakeUpWednesday

### LISTEN

This sounds obvious, but it is not something we are always great at. Active listening is where we listen without interrupting or making judgements and shows interest in what is being said. If your child feels listened to in the 'smallest of problems' they will become confident that you will listen when the 'biggest of problems' arise.

### **ASKTWICE**

3

The campaign from time to change is great . https://www.time-to-change.org.uk/support-ask-twice-camp Be tenacious about your child's wellbelng. Children instinctive know when your questions and support come from a place of now when your questio anting to help and care Are you sure?

### THERE IS NO SUCH THING AS A STUPID QUESTION

This advice also relates to the first point. If your child can ask you any questions about the smallest of things and you listen and answer without shaming or belittling, then they will have more confidence to ask the biggest of questions.

### **BE OPEN AND HONEST**

Children appreciate honesty, particularly if you are having to share information or talk about a difficult subject. For example, you may be talking about death or loss; It's very sad that Nana has died' or 'Ifeel sad that Nana has died'. How you talk about a subject will differ depending on their age and developmental maturity. Talking about death to a younger child for example will be different to that of an older teen, as their experience and understanding of death is different

### KNOW WHEN TO SEEK HELP

Assess the severity of the mental health difficulty you are noticing. Is the difficulty making it hard for your child to function regularly throughout everyday life? How frequently is your child affected, how long does it last and how persistent is it? Are they having problems controlling the difficulty? Talk to your child about your concerns and that it is likely they will need further support beyond family and friends.

## Meet our expert

This guide has been written by Anna Bateman. Anna is passionate about placing prevention at the heart of every school, integrating mental wellbeing within the curricu-lum, school culture and systems. She is also a member of the advisory group for the Department of Education, advising them on their mental health green paper.

### TALK ABOUT MENTAL HEALTH NATURALLY

Speak about mental health as part of everyday life, so that talking about our feelings and those of others is normalised. If the usual 'are you ok?' is not creating an opportunity for dialogue then say something like 'I know when something like that has happened to me I felt like this... is that how you are feeling or are you feeling something else?'

### EMPATHISE

'It makes sense that you would feel this way, it is understandable'. Children often worry about things that we, as adults, might see as trivial or silly. However, for them at their age and stage it is a big concern and they need our kindness and care when they show their vulnerability and share their worries.

### **HELP YOUR CHILD FEEL SAFE**

Teens particularly feel that by talking about their worries or concerns that this will make things worse. Reassure your child that you will discuss a plan of action together and what may or may not need to happen next. If they are a younger child, it is likely you will need to lead the conversation and explain next steps.

#### 9 MIND YOUR LANGUAGE

Be mindful of the language you use at home to describe and talk about mental health. Stigma often arises from misconceptions and a choice of language which is harmful. Using the word 'mental', 'man-up' or other such words in a derogatory way wor't encourage your child to talk about their mental health for fear of being belittled.

IT IS OK TO SAY 'I DON'T KNOW WHAT TO DO NEXT' 10

Adults do not have all the answers but often children think they do. It is ok to acknowledge that what your child is experiencing is not something you have come across before or know anything about, but that you will work it out together and seek help together.

Minquest MindQuest Is Back!

NSW Talent Centre Pty Ltd PO Box 577 Toronto NSW 2533 Tel. 02 9748 1084

## St George Girls HS Victoria St Kogarah Saturday & Sunday 17 & 18 September 2022

Dear Coordinator of Gifted and High Potential Students

I am very excited to be offering the MindQuest program at St George Girls HS once again after three long years! May I also take this opportunity to thank you for your wonderful support in the past 25 years of the NSW Talent Enrichment Weekends. I hope that you will consider involving the students of your school in these programs again.

Please find enclosed brochures advertising courses for the 96th MindQuest program which will be held on Saturday & Sunday at St George Girls HS on the 17 & 18 September 2022, between the hours of 9.30am-3.30pm. You may wish more students to have an opportunity to attend through advertising the activities in your newsletter. It is anticipated that many of the **courses will be full before the closing date**. Feel free to photocopy any additional information required or ring me for additional brochures. Please encourage students to send in their application forms as soon as possible.

Many parents of students from **low socioeconomic backgrounds** may find difficulty in paying the course fees of \$230(Inc GST). May I draw your attention to a limited number of **part scholarships** for the enrichment weekend program, please contact me if you know of students who need financial assistance. I hope that you will promote this program to the staff and students in your school. I have appreciated the wonderful support schools have given in the past and I look forward to your continued support in the future.

Yours sincerely

Shelagh Poray Director, NSW Talent Centre Pty Ltd

### <u>Closing Date is Friday 19 August 2022</u> We would be grateful if you could advertise the program in your newsletter.

### *MindQuest* ST GEORGE GIRLS HS VICTORIA ST KOGARAH

On Saturday 17 & 18 September 2022 the 96th NSW Talent Enrichment Weekend *MindQuest* will be held for primary students from Years 1-6 at St George Girls HS. These include gifted and high potential students, gifted underachievers and students with above average ability with a special interest. Students will have an opportunity to participate in over 33 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, drama, lego robotics, art and much, much more. Many of these highly successful courses have been run in the past and students' evaluations suggest that they have been challenged and enriched by the experience. The cost of the weekend is \$230 (including GST).

Contact your school for a brochure or Shelagh Poray 02 9748 1084 Closing Date: Friday 19 August 2022

Make and Take: Kaleidescope <u>12pm-1pm & 1pm-2pm</u> | Children's Area | All ages | Bookings recommended

Wind up Chariot racing\_ 1pm - 2pm | Miles Franklin Room | All ages | Drop In

## SCHOOL HOLIDAYS

Create your own AR Filter for social media Monday 26 September 2022 10.30am-12.30pm |12-16yo | Free

Media Lab, Hurstville Library

Use Spark AR Studio templates to create filters, change your background, or add 3D objects.

### Frottage and Collage

Tuesday 27 September 2022 11.30am-12.30pm | Penshurst Library Thursday 29 September 2022 11.30am-12.30pm | Oatley Library Thursday 6 October 2022 11.30am-12.30pm | South Hurstville Library

This tactile workshop will take you through the techniques of collage and frottage. Suitable age 5-10yo + adult supervision.

### Robotics

Tuesday 4 October 2022 10.30am-12.30pm | Clive James Library, Kogarah | \$25 | 8-12yo

Build your own Arduino robot to navigate and avoid obstacles. In this workshop you will receive your own Arduino robotics kit to take home.

## GET CRAFTY

### Frottage and Collage

Wednesday 31 August 2022 5:30pm-7:30pm, \$8 Hurstville Library

Discover and be amazed by the hidden textures in the built environment. Using the combined techniques of collage to layer and arrange various materials, along with frottage which uses texture rubbing to create art.

### DIY LIVING Learn the safe use of common hand tools in creative ways.

### Make your own Insect Hotel

Monday 8 August 2022 11:00am-1:00pm, \$12 Oatley Library

### Make your own Hanging Planter

Monday 12 September 2022 11.00am-12.00pm, \$12 Clive James Library

### WRITING YOUR FAMILY HISTORY

### Thursday 18 August 2022 5.30pm-7.30pm for 16+ | Free

Start on the road to finding out who you are and where you came from in this immersive family history writing workshop.

Join writer, journalist, critic and editor Keith Whelan to learn valuable research, interview and editing skills to write family histories, biographies and memoirs.

For more History Week events, please see our library website.

## LEARNING EXPERIENCES IN THE MEDIA LAB

### Digital Art and NFTs for beginners

Tuesday 9 August 2022 5.30pm-7.30pm for 16+ | \$6.60 | bookings essential

A beginners guide to digital art and NFTs. Learn about Non-Fungible Tokens, digital wallets and selling on the blockchain.

### Beginners - Photography and Editing in the Media Lab

Tuesday 30 August 2022 5.30pm-7.30pm for 16+ | \$8 | bookings essential

A hands-on workshop to learn more about camera settings, studio lighting and editing to take your photography skills to the next level.

### Create your own illuminated jewellery

Tuesday 24 September 2022 10.30am-1.30pm for 16+ | \$12 | bookings essential

Learn to make your own interactive eTextile jewellery using digital tools and electronics.

# CELEBRATING 50 YEARS AT PENSHURST LIBRARY

We are getting everyone together with some great events during the month of September

Penshurst Library 630 Forest Road, Penshurst (near Olds Park)

Family Fun Day. Sat 10 September | 11.00am-2.00pm

Penshurst Library is turning 50! We're excited to host this event to celebrate with you! This is a family fun event with music, activities, and a sausage sizzle to bring our community together.

Local Author Talk: Frank Jordan Thurs 22 September 2022 | 1.00pm-2.00pm

Hear the inspiration behind fictional characters and tales based in the Georges River area from local author Frank Jordan at Penshurst Library.

Library Up Late celebrating 50 years!

Wed 28 September 2022 | 5.30pm-9.00pm

We're staying up late for Penshurst Library's 50th Anniversary with food trucks and a gypsy caravan band, Lolo Lovina.

Get Crafty - Altered Books Wed 28 September 2022 | 5:30 pm - 7:30 pm

Create your own upcycled Altered Book artwork in this special Get Crafty session for Penshurst Library's 50th Anniversary celebrations.

# OPERATION ART

### Exhibition now on!

29 July - 23 October 2022 Hurstville Museum & Gallery, 14 MacMahon Street, Hurstville

Operation Art is an annual exhibition celebrating its 27th Anniversary this year. These 50 artworks created by students across New South Wales will tour the state before finding their home at The Children's Hospital at Westmead, where they will help make sick children feel better through the power of art.

Operation Art is an initiative of The Children's Hospital at Westmead in partnership with The NSW Department of Education.

For events associated with this exhibition please visit the <u>Museum &</u> <u>Gallery's website</u>.

### Become a Library member today!
